(As of 02.12.2025)

**IN 1531 OUR LADY OF GUADALUPE MADE A GREAT  
ANNOUNCEMENT TO THE AZTEC PEOPLE**

**BLOOD SACRIFICES OF CHILDREN MUST END!**

OUR LADY SPEAKS TO AMERICA  
(As of 02.12.2025)

SHE SPOKE TO THE  
AZTECS USING MANY  
SIGNS AND SYMBOLS

THEY WERE A FAITHFUL  
PEOPLE. THEY  
LISTENED AND  
CHANGED THEIR WAYS!

BLOOD SACRIFICES  
CAME TO AN END!

MILLIONS WERE  
CONVERTED!

**IN 2024, OUR LADY, ON THE FEAST OF THE ANNUCIATION, MADE THE SAME ANNOUNCEMENT AND WARNING IN AND TO AMERICA!**

**BLOOD SACRIFICES OF CHILDREN MUST END!**

**BUT IN 2024, SHE ACTUALLY USED THE SUN AND MOON TO  
GET OUR ATTENTION AND ANNOUNCE THAT MESSAGE!**

**THE MOON IS AN ANALOGY OF "THE WOMAN" IN GENESIS AND REVELATION**

**The Blessed Virgin Mary's life is often characterized as a moon that reflects the light of her son Jesus.**

**St. Bonaventure, the great Franciscan theologian, taught, "The moon transmits light from the sun to the earth. So Mary gives us the heavenly graces which she receives from the Sun of Justice."**

**Ven. Fulton J. Sheen wrote about Mary in his book *The World's First Love: God who made the sun, also made the moon. The moon does not take away from the brilliance of the sun. All its light is reflected from the sun. The Blessed Mother reflects her Divine Son; without Him, she is nothing. With Him, she is the Mother of men.***

**ON THE ANNUNCIATION IN 2024, THE HEAVENLIES THEMSELVES,  
WERE USED TO MAKE A LEGAL "ANNOUNCEMENT" TO AMERICA**

**THE MOON (OUR LADY WITH CHILD)  
BLOCKING THE SUN WITH ITS RAYS  
EXTENDING OUT FROM BEHIND**

**ON APRIL 8, 2024, SHE USED THE PATHS OF TWO SOLAR ECLIPSES TO BRING  
OUR ATTENTION TO AN EPICENTER OF BLOOD SACRIFICES IN AMERICA!**

OUR LADY SPEAKS TO AMERICA

**Solar Eclipse Preceded Jonah's Visit to Nineveh**

What's not mentioned in the book of Jonah but is recorded in Assyria's historical record and is known to NASA and modern astronomers is that before Jonah's visit a solar eclipse occurred.

The first Assyrian eclipse was on June 24, 791 B.C., and covered 74% of the sun.  
The second solar eclipse was on June 15, 763 B.C., and covered 98.7% of the sun.

NASA graphic showing the path of the solar eclipse of June 15, 763 BC. The eclipse would have been seen as total in the area between the blue lines. The site of ancient Nineveh (the city) is about four miles northeast of the center of the modern city of Mosul, Iraq; the province of Nineveh

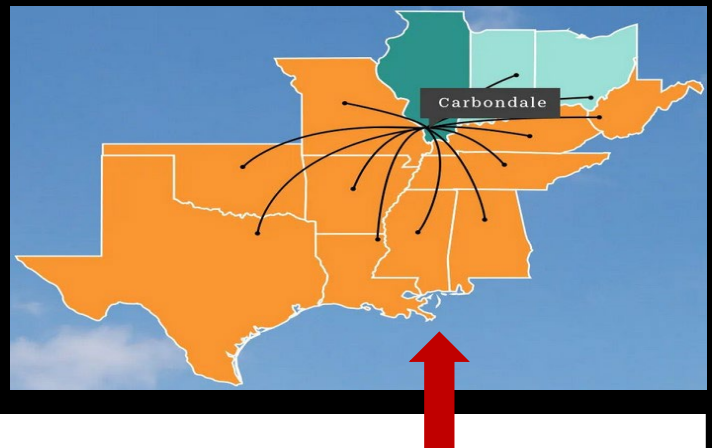

AS IN NINEVEH; WE ARE BEING WARNED: REPENT, CONVERT AND CHANGE OUR DARK WAYS!

**Eclipse Crossroads of America** [ edit ]

The area was in totality during the solar eclipse of August 21, 2017, with Giant City State Park, just south of the city, experiencing the longest period of totality during the eclipse (approximately 2 minutes and 40 seconds). It was also within the path of totality of the solar eclipse of April 8, 2024, making it one of only a handful of cities within the direct paths of both eclipses. The combination of these events earned it the nickname "Eclipse Crossroads of America".<sup>[citation needed]</sup> In February 2017, the City of Carbondale spent \$98,000 to rebrand itself with a new eclipse-themed logo, hiring the marketing consultation firm North Star Destination Strategies, Inc., based out of Colorado, to design the new logo. This rebranding effort aimed to capitalize on the prominence of these celestial events.<sup>[15]</sup>

Carbondale experienced two total solar eclipses in seven years.

Carbondale did not provide [abortions](#) from 1985 to 2022, but after the [Dobbs v. Jackson Women's Health Organization](#) court ruling in 2022 paved the way for many US states to prohibit abortion, Carbondale experienced a sharp rise in the number of abortion providers thanks to it being the closest town with legal abortion access to many southern U.S. states such as Kentucky, Tennessee, and Mississippi, with the Choices abortion clinic moving there from [Memphis, Tennessee](#).<sup>[53]</sup>
